# ZOOM SIDE DOOR

## Info for parents

Since 2004, Side Door has been offering Montclair middle school students a safe space where they can spend Fridays after school with their friends. After COVID-19 hit, we moved that safe space online, and continued our Fridays together via **Zoom**. We might not be able to physically spend Fridays together, but we can still hang out, meet new people, and have fun on our computers, tablets and phones!

Zoom Side Door will be resuming on Friday September 18<sup>th</sup>. Kids who receive a Zoom link will be able to connect, check-in, and then be moved to a breakout room/activity of their choice. The breakout rooms will be hosted by Side Door staff and volunteers (area college students), and they will be offering a variety of games and activities based on the interests and enthusiasms of the kids in each room. Participants can switch rooms at any time.

We are all having trouble meeting new people and making new friends. This is especially true for our children. They need a place where they can simply spend time and have fun with their friends, classmates and neighbors, without worrying that someone won't wear a mask or remain socially distant. This is what Zoom Side Door provides - a place where they can spend time with old friends, make new ones, and be entertained and engaged on Fridays after school.

**For more information, email  
[sidedoor@unioncong.org](mailto:sidedoor@unioncong.org)**

Each Friday morning a zoom link is emailed to the ZSD distribution list. To be included, simply send an email to [sidedoor@unioncong.org](mailto:sidedoor@unioncong.org). (If you want your child to receive the link as well, be sure to include their email address.)
